The Government of His Highness the Maharaja of Mysore are pleased to declare, under the provisions of Section 4 of the Mysore Forest Regulation (XI of 1900), that it is proposed to constitute the area, the boundaries of which are described in the schedule below, a "State Forest," under the provisions of the said Regulation :—

SCHEDULE.

District	Taluk, hobli and village	Approximate area	Name of block	Situation and boundaries
Bangalore	Kankanhalli, Uyamballi	2,213 acres and 34 guntas or 3·46 square miles	Chunchi, East Block	*Situation.*—A tract of jungle towards the south of the Kankanhalli Taluk between Arkavati river on the west and the Muggur State Forest on the south. BOUNDARIES. *North.*—Starting from the south-west corner of Survey No. 43 of Mulhalli on the left bank of the Arkavati river, the line runs south-east along the south boundary of that survey number until the south-west corner of Survey No. 183 is reached; then skirting that survey number on its south and east sides, Survey No. 185 on its south side and Survey No. 186

on its west and south sides reaches its south-east corner. Then turning north-east passes in a straight line through Survey No. 43 and reaches the south-west corner of Survey No. 188. Then skirting that number on its south and east sides, Survey No. 189 on its south side, Survey No. 180 on its south and east sides and Survey No. 190 on its south side, reaches the south-east corner of the last survey number on the eastern limit of Mulhalli village. Then the line follows the south side of Survey No. 146 of Gollahalli until the west side of Survey No. 148 is reached.

East.—Thence the line turns south and follows the west side of Survey Nos. 148 and 149, west and south boundaries of Survey No. 150 to the north-west corner of Survey No. 78; then along the west of Survey No. 78 to its south-west corner; then the line turns south-west and follows the west side of Survey No. 152, west and south sides of Survey No. 153, and south side of Survey No. 154 to its south-east corner. Then the line turns south-east and runs in a straight line through Survey No. 90 to the south-west corner of Survey No. 158. Then following the west side of Survey No. 156, west and south sides of Survey No. 157, west side of Survey No. 165, west and south sides of Survey No. 166 and south side of Survey Nos. 167 and 168 reaches the south-east corner of Survey No. 168. Then turning south-east runs through Survey No. 90 for a distance of three chains reaches the south side of Survey No. 90 at about 37 chains to the west from its south-east corner. Then turning east along the south side of Survey No 90 reaches its south-east corner. Then turning south-east runs in a straight line through Survey No. 89 and reaches the southern limit of Gollahalli village at a point about a chain north-west from the north-west corner of Survey No. 102; the line turns north-east and follows the south limit of Gollahalli village and reaches the south-east corner of Survey No. 88. Then turning south, runs through Survey No. 48 of Arekoppa and reaches the north-west corner of Survey No. 121 and skirting that survey number on the west as far as its south-west corner, continues in the same direction in a straight line through Survey No. 48 till the north-west corner of Survey No. 46 is reached. Then the line follows the north and west sides of Survey Nos. 45, north boundary of Survey No. 42 and north and west boundaries of Survey No. 41 to its south-west corner. Then it passes on straight through Survey No. 27 to the north-west corner of Survey No. 39; then it follows the west sides of Survey Nos. 39 and 38 and north and west boundaries of Survey No. 37 to its south-west corner on the left bank of a halla. Then it follows the course of the halla as far as the south-west corner of Survey No. 24. Then turning east follows the south boundary of that survey number to its south-east corner; then along the west boundary of Survey Nos. 23 and 22 and north, west and south boundaries of Survey No. 123 to its south-east corner. Then the line follows the south boundary of Survey Nos. 22 and 21, south and east boundaries of Survey No. 20, south boundary of Survey Nos. 16, 15, 14 and 9 and south and east boundaries of Survey No. 12 to its north-east corner. Thence skirting Survey No. 11 the village site and Survey No. 91 on their south side and Survey No. 89 on its west and south sides, reaches the south-east corner of the last survey number on the demarcation line of the Muggur State Forest.

South.—Thence turning south-west follows the demarcation line of the Muggur State Forest until the left bank of the Arkavati river is reached.

West.—Thence the line turns north-west and follows up the course of the Arkavati river on its left bank until the starting point is reached.

The following survey numbers shall be treated as enclosures of the above block:—
